

**Basketball Australia High Performance Coaching
Elite Female Coach Advancement Program
Expression of Interest**

Introduction –

Basketball Australia Elite Female Coach Advancement Program has been devised to provide elite and emerging female coaches with professional development, formal training and opportunities for mentoring.

The two-year program will include a raft of formal training, experiential learning and mentoring with a focus on growing the depth of elite and professional coaches in Australia. To be coordinated by the Basketball Australia Director of High Performance Coach Development, the program will include input and leadership from industry and academic professionals to ensure it is a holistic growth opportunity for the participants.

Application and selection process –
